

NORTH DAKOTA
FFA ASSOCIATION

State FFA Officer Biography and Information

Name: Dawsyn Malkowski

Office: Sentinel

FFA Chapter: Belfield

Family: Kasey & Darnyl (Parents) and Kadyn & Danyka (Siblings)

SAE: My Supervised Agricultural Experience was in Beef Production, Placement. I worked on my family's ranch and I spent my time fencing, checking cows, and haying. I started with very basic tasks on the ranch, but as I got older, I was able to learn new skills and help with more.

CDE/LDE: Greenhand Quiz, Advanced Quiz, Parliamentary Procedure, Employment Skills, Extemporaneous Speaking, Livestock Evaluation, Meats Evaluation, and Dairy Handling

Favorite FFA Memories: My favorite FFA Memory was my junior year when we were on our way to the National FFA Convention. We had so much fun on the bus and made the best out of the long drive! We moo'd so much that we probably sounded like a stockyard, and we had the best bus driver who made the trip a great time. My favorite CDE to compete in is Meats Evaluation because it displays the breakdown of meat livestock animals and how the different anatomy connects throughout the animal in retail ID.

Future Plans: I am attending North Dakota State University where I am majoring in Animal Science. I am also a member of ROTC and plan to fly helicopters in the army someday. After my commitment with the military, I hope to serve in a missionary aviation program.

About Me: I grew up on a cattle ranch in Fairfield, North Dakota. Here I learned about the animal side of agriculture and how it impacts our country. I joined FFA to follow in my family's footsteps. Becoming a State Officer was important to me because I want to give back to the organization that has given and taught me so much. FFA has helped me develop a plethora of skills such as public speaking, decision making, critical thinking, and how to be a genuine and kind person. A fun fact about me is that I love to dance. I can polka, swing dance, and Ukrainian dance.
