

**NORTH DAKOTA**  
**FFA ASSOCIATION**

## State FFA Officer Biography and Information

**Name:** Mairah Lovro

**Office:** President

**FFA Chapter:** Granville

**Family:** Allen & Amanda (Parents) & Scott (Brother)

**SAE:** I bred and raised Nubian Goats and Babydoll Sheep to show at the North Dakota State Fair. I ran these operations for 5 years before I sold all my head and stopped showing. I also worked as a Seasonal Research Assistant at the North Dakota State University North Central Research Extension Center where I assisted with research in the Pulse, Agronomy, and Grape programs. My most recent SAE is poultry production. I raise anywhere from 50-100 laying hens and sell their products.

**CDE/LDE:** Livestock Judging, Food Science and Technology, Milk Quality and Products, Creed Speaking, Employment Skills, Parliamentary Procedure, Greenhand Quiz, Advanced Quiz, Prepared Public Speaking

**Favorite FFA Memories:** My favorite FFA memory is attending the Washington Leadership Conference in Washington D.C.. I was able to connect with members from all over the country and grow my leadership skills. My favorite LDE is Prepared Public Speaking because it took a lot of courage to step out and try it, but once I did, I loved getting to prepare, learn my topic, and enhance my speaking skills.

**Future Plans:** I am attending the University of North Dakota. I am pursuing a career in Occupational Therapy with a minor in Psychology. After graduating from UND, I hope to work as a pediatric Occupational Therapist. My goal is to help children become more independent and make a positive impact on their and their families lives. My overarching goal is to open my own practice. I also hope to still be living in the country with animals.

**About Me:** I come from a ranch that was established in 1948 and on this ranch, I have raised cattle, goats, sheep, and poultry. I joined FFA because everyone else in my family was in FFA, and as soon as I joined, I fell in love. I wanted to become a State Officer because FFA has brought out the best in me and given me life long skills that I want to help other members develop. A fun fact about me is that I love the Indy 500 and can name almost all of the drivers!
